

MARKEY TOWNSHIP BOARD
Special Meeting Minutes
October 14, 2022

Special meeting of the Markey Township Board was called to order at 7:00 pm. Board members present: Treasurer Engle, Trustee Donaldson, Supervisor Pray, Clerk Tussey and Trustee Bell. Five people in attendance.

Discussion was regarding Deputy Chief Curtis Eggleton who was present. Eggleton is behind in ambulance billing. It hasn't been done since April 1, 2022. He told the board that he sent in 30 reports to AccuMed today. We want a report to verify that. He currently has approximately 120 reports still to get done. We want a report by Monday, October 17, 2022 telling us the status of the remaining reports with times and dates.

Eggleton was asked if he can handle the EMS Coordinator job and he replied that he could.

The Board is requesting a report from Eggleton on a monthly basis as to how many reports have been completed.

Eggleton indicated that the reports for July & August could be done by the end of October.

Eggleton said that the Med Control meetings have been sporadic. Checking on that to see if they are once a month.

Eggleton will meet with Treasurer Engle and document this incident and sign it and it will be placed in his personnel file.

Board requested a copy of Eggleton's DD214 for his military service.

Eggleton is to talk to the Board if he is in need of some time off.

Also discussed the fact that Eggleton went to Menominee to a Fire Call this past week and left without telling any of the board members. We're shorthanded and he probably shouldn't have gone. Poor judgement on his part.

Motion by Pray, seconded by Donaldson to adjourn at 7:48pm. All in favor. MC.
